# FREQUENTLY ASKED QUESTIONS

## Do I have to be a member to register?

You must be a EJOPA member to register and may join by going to:

<http://www.eclipsejetpilots.org/register.php>

## What does the registration fee cover?

The registration fee covers all food and non-alcoholic beverages from Wednesday night through Sunday morning. It also includes transportation to/from the airport and hotel, seminars, etc. You should not have any extra expenses except your room, tours and shopping.

## Do I have to pay for my spouse or guests?

The majority of the money spent on the EJOPA Convention is for food, therefore everyone must pay the registration fee.

## Do I have to pay the full convention fee if only attending a portion of the convention?

It would be too difficult to come up with fees for just part of the convention. In addition, the sponsors pay a large portion of the total cost of the convention, which makes it even more difficult to come up with partial fees.

## What if I have to cancel after registering?

If you cancel up to May 15th, you will receive a 100% refund. After May 15th, there are no refunds.

## Do I need to rent a car for the convention?

Transportation is provided to/from the airport and hotel. If you are doing any activities on your own you may wish to rent a car through the FBO directly.

## When is the best time to arrive & depart the convention?

You should arrive at the convention no later than Wednesday afternoon if you wish to make all the regular seminars, etc. If you are planning on attending the pre-convention tour, you should arrive by Tuesday evening. The best time to depart is on Sunday between 6:30AM-11:30AM.

## What is the dress code for the convention?

The dress code is “country - club casual” for every event.

## Will my companion/guest have planned activities?

EJOPA and The Ritz Carlton will be offering many companion/guest activities. A companions get-acquainted luncheon is scheduled for Thursday June 1st. The Ritz Carlton offers Golf, A Spa, Beach Access as well as many other activities. [Click Here](#) to view the Seasonal Activities that are offered. We will also be offering the Eclipse Companion Flying Course ground school and in-aircraft training in your plane.
